A WARM WELCOME FROM THE NEW PRESIDENT

Welcome to the 2025 season! We are about to jump into pre-season and trial mode, and it's fantastic to see the great registrations of both returning and new members.

To those joining our club for the first time, a very warm welcome! To our returning players and families, thank you for your continued support and commitment to another exciting season with the Willunga Netball Club.

NEWSLETTER #1 JANUARY 25

Acknowledgements

I'd like to thank the WNC committee for the warm welcome since stepping into the President's role. A special thank you goes to our past President and now Club Secretary, Donna Collins, for her enormous contribution and dedication over the years. Donna has been an incredible support since I took on this role in October, offering a wealth of knowledge from her tenure as President.

We'd also like to acknowledge Carol Overy, who has retired from her position as Club Secretary. Thank you, Carol, for your commitment and years of service to WNC. Your efforts have been greatly appreciated.

Our committee has also undergone changes—welcome to those joining for the first time. A sincere thank you to Lindsay, Nicole, Tegan, and Melinda for your service on the committee as you step away.

Planning Day

Our 2025 season commenced with a productive planning day in October. The committee dedicated the day to strategising and preparing for what promises to be an exciting year. We look forward to sharing more about our plans as the season progresses.

New Netball Dress

We're thrilled to announce a change to our club netball dress! After careful consideration, the committee decided to part ways with our previous uniform supplier and partner with Sports Centre as our new provider.

With this change, we saw the opportunity to refresh the design of our netball dress. Collaborating with Macky Farrant—a past player and the talented artist behind our club's Indigenous artwork—we incorporated this design into the lower section of the dress. The result is a beautiful addition that celebrates culture, community, and our sense of place.

We've received approval from the GSNA for a three-year transition to the new dress. Players are not required to purchase the new dress immediately and can continue wearing the current design for the next three seasons.

As of 2028, all players will need to be in the new dress design. Both designs are compatible on the court, as the main features remain unchanged apart from the addition of the artwork.

Further information, images, and pricing for all new and standard uniform items from Sports Centre will be available in the coming weeks.

New League Coach Appointment & Thanks to Past League Co-Coaches

In November, we advertised for a new League Coach, as Emma and Merrin decided to step away from the role. We thank them for their passion, dedication, and depth of experience they brought to our club and the League Coach position over the years. Their presence and coaching expertise will be greatly missed.

We are pleased to announce that Chiron Mitchell has been appointed as our League Coach for the 2025 season. Many of you already know Chiron, as he served as our Senior 2 Coach last season. We warmly welcome Chiron to this role and are excited about the energy and approach he brings.

Trials and Registrations

Thank you to everyone who has registered so far. We will notify our waitlist of any vacancies and then release this information more broadly. If you haven't yet finalised your registration, please do so as soon as possible via PlayHQ.

We encourage all members to familiarise themselves with our Trials and Player Selection Policy, available on Team App and our website. Please refer to this policy as your first point of reference.

Sponsorship and Fundraising

We have reviewed our current sponsorship packages and have provided some updates. If you haven't been approached yet and are keen to support the club in 2025, we'd love to hear from you.

Exciting fundraising initiatives are also in the works, so please keep an eye on upcoming newsletters and our Facebook page for details.

For sponsorship enquiries, please contact Katie, our Sponsorship and Fundraising Coordinator, via email at sponsorship@willunganetballclub.com.au.

Communication Tools

Stack Team App will remain our primary communication tool for all teams, including fixtures, club documents, committee profiles, and contact information. Please ensure you have downloaded the app for the upcoming season.

Our Facebook page (@Willunga Netball Club) is another excellent source for recent news, upcoming events, and general updates. A big thank you to Shona, our Publicity Officer, for maintaining our Facebook page and creating our newsletters.

Looking Ahead

I'm excited to lead WNC into the 2025 season and work alongside such a dedicated committee to ensure another successful year.

Willunga Netball Club is proud to be part of such a vibrant community and remains committed to upholding our values with consistency and integrity.

Please don't hesitate to reach out to me via email or phone if you have any questions or feedback.

Let's make 2025 a fun and successful year!

Warm regards,

Marcus Syvertsen

President

Willunga Netball Club

2025 PRE-SEASON
